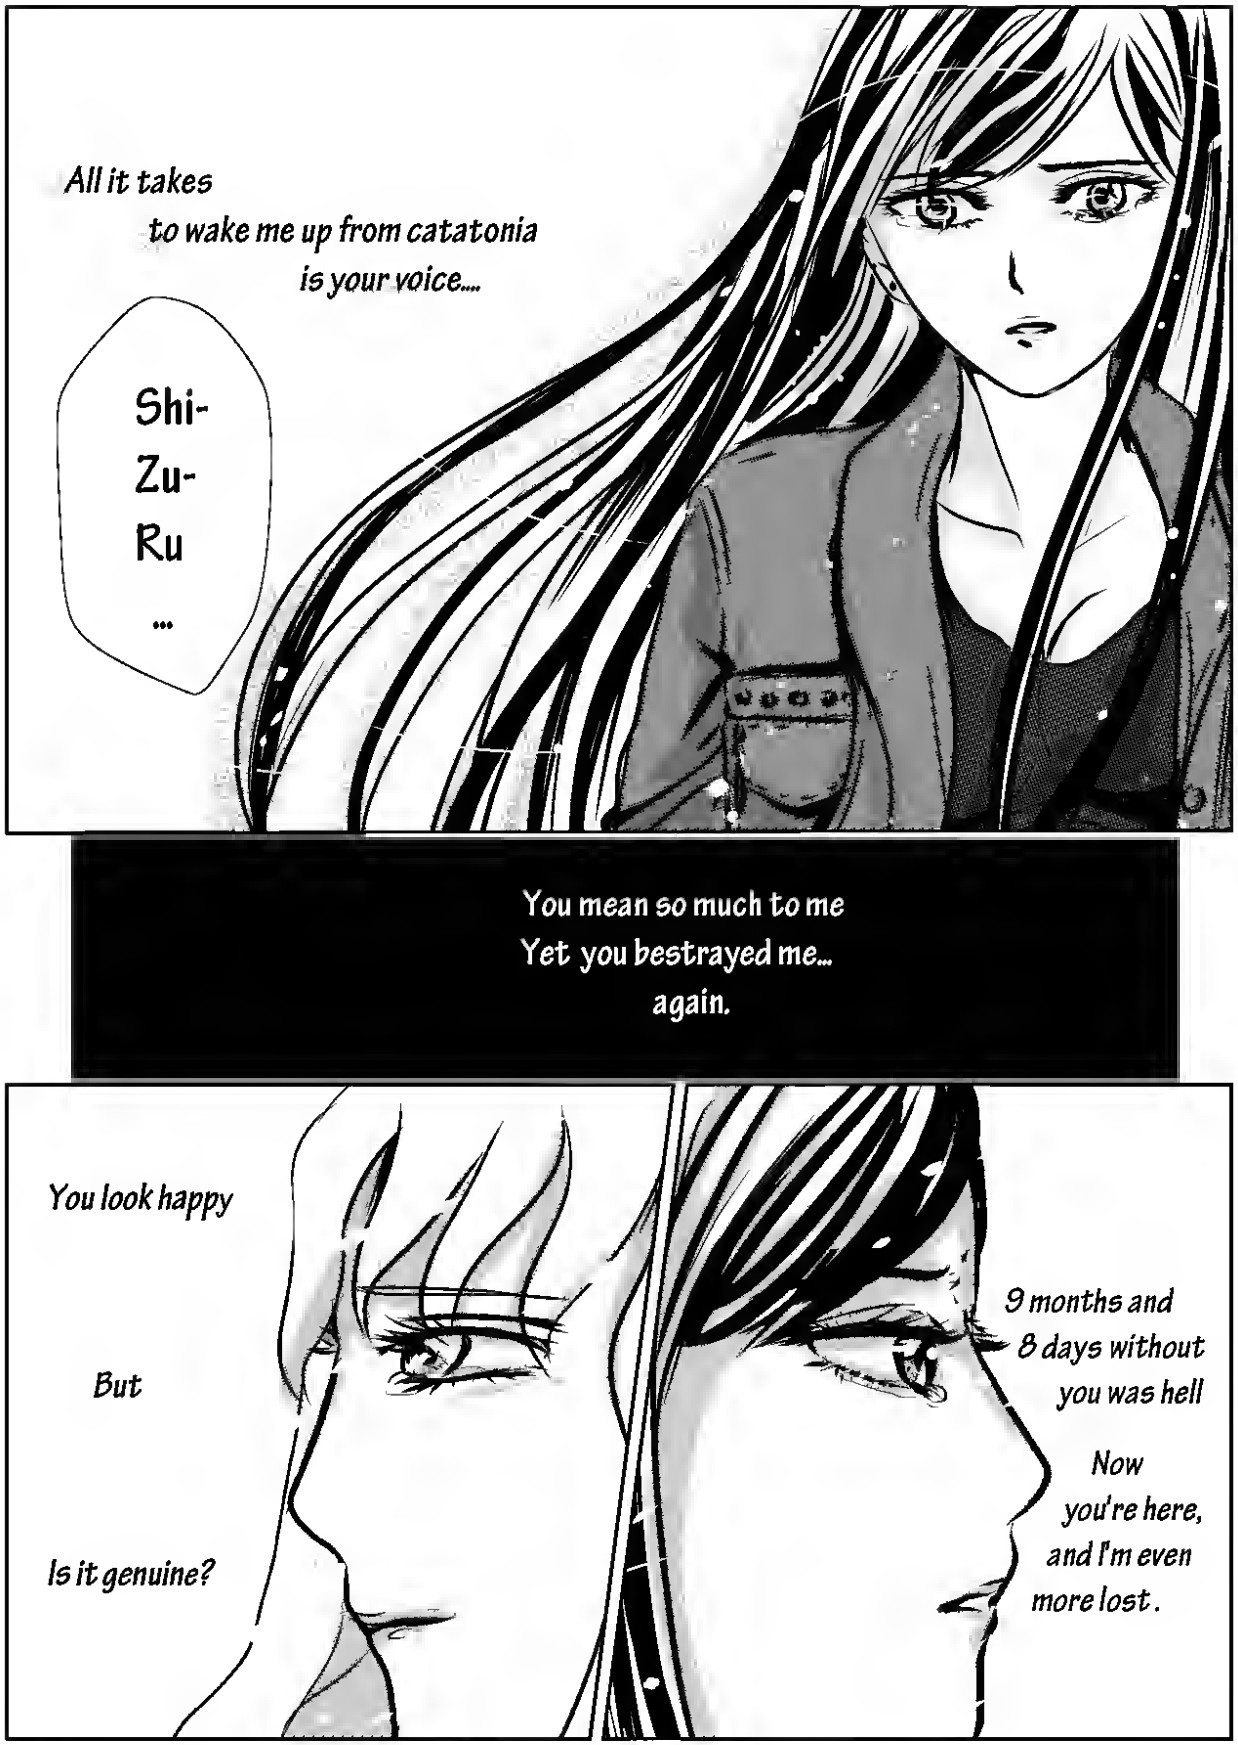
THUD

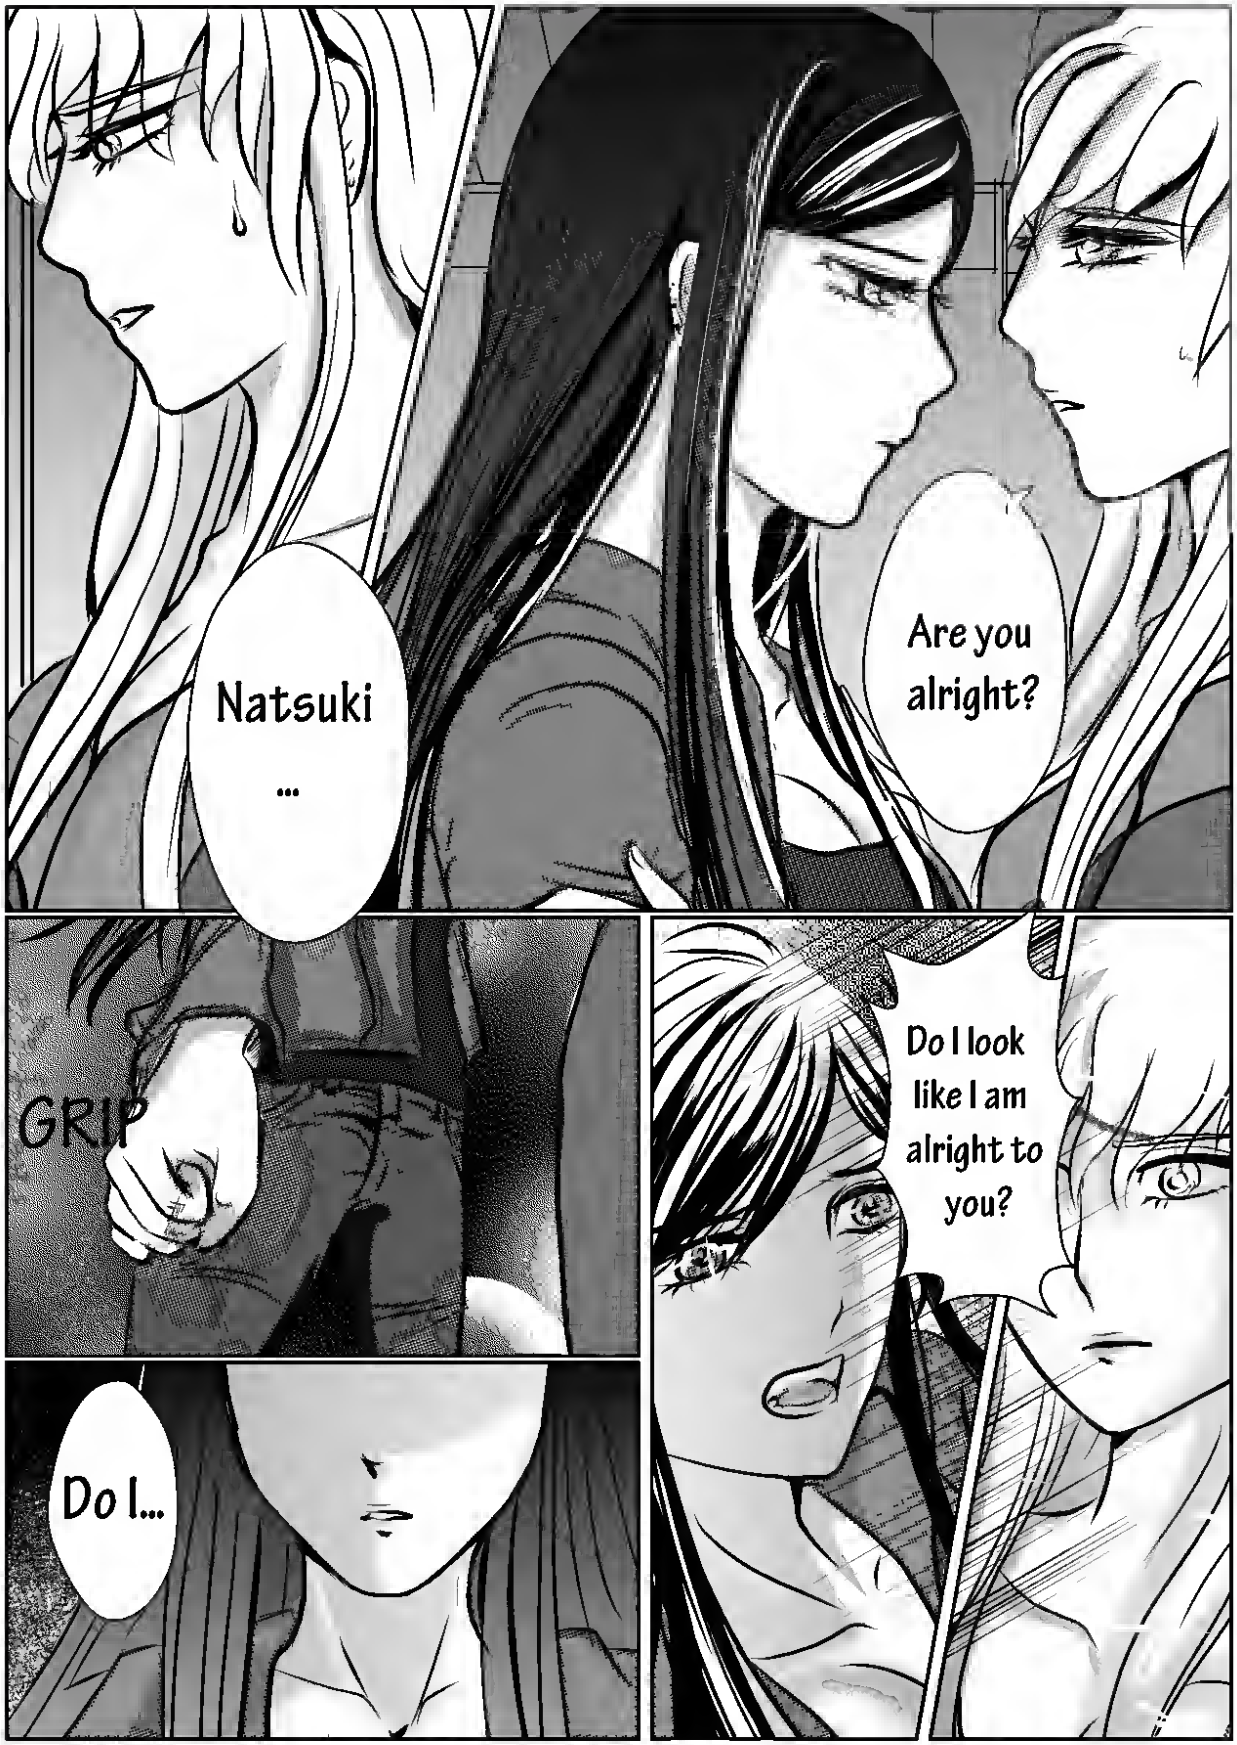
Turn
They've found me.
Natsuki
Upon hearing your name from an oh so familiar voice, I immediately questioned my sanity.
Please ....
Have I gone mad from missing you, my Natsuki?
Slide
It cannot be Natsuki, why would she-

POW
Please stop
...
You're killing her
NAT-
SLIDE
*Stop
All it takes Shizuru,...
Nat-su-ki?

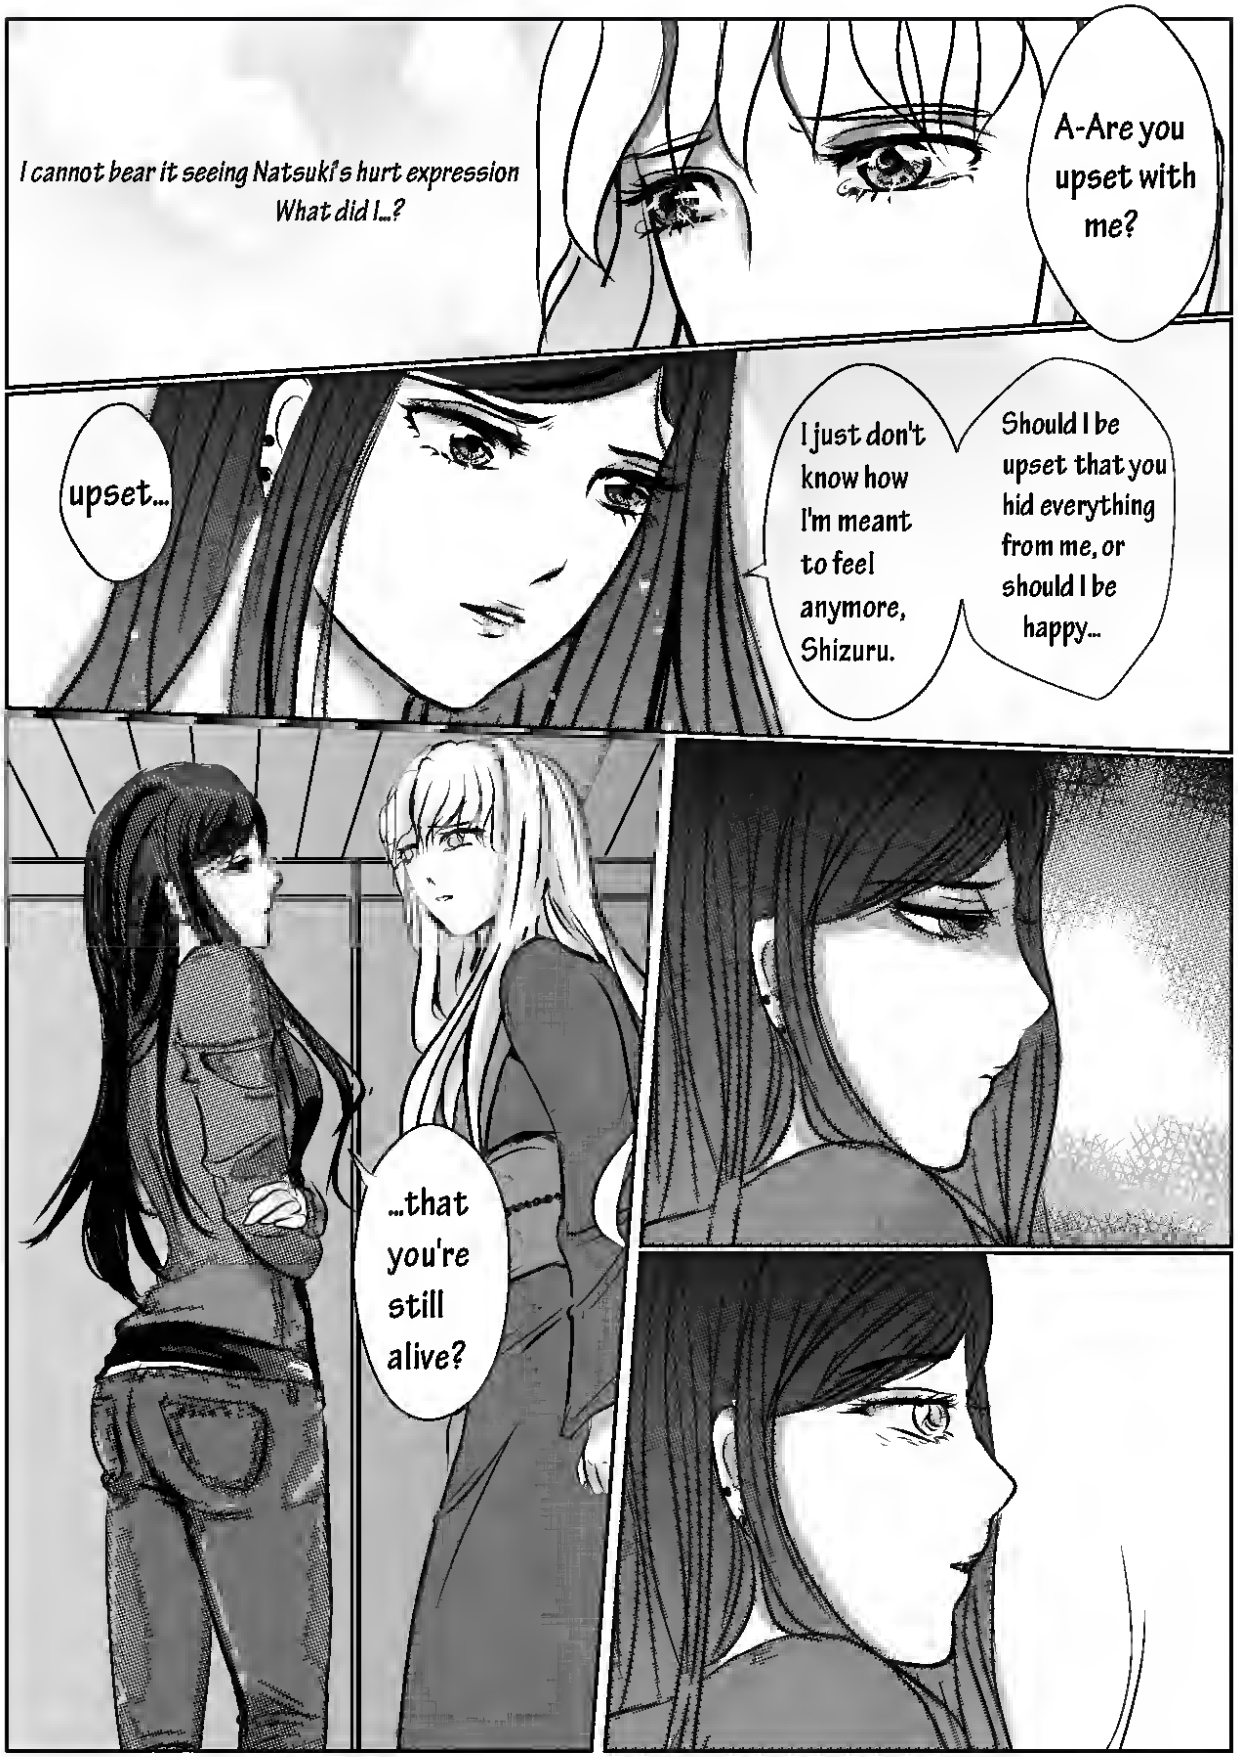


All it takes
to wake me up from catatonia
is your voice....
Shi-
Zu-
Ru
...
You mean so much to me
Yet you bestrayed me...
again.
You look happy
But
Is it genuine?
9 months and
8 days without
you was hell
Now
you're here,
and I'm even
more lost.

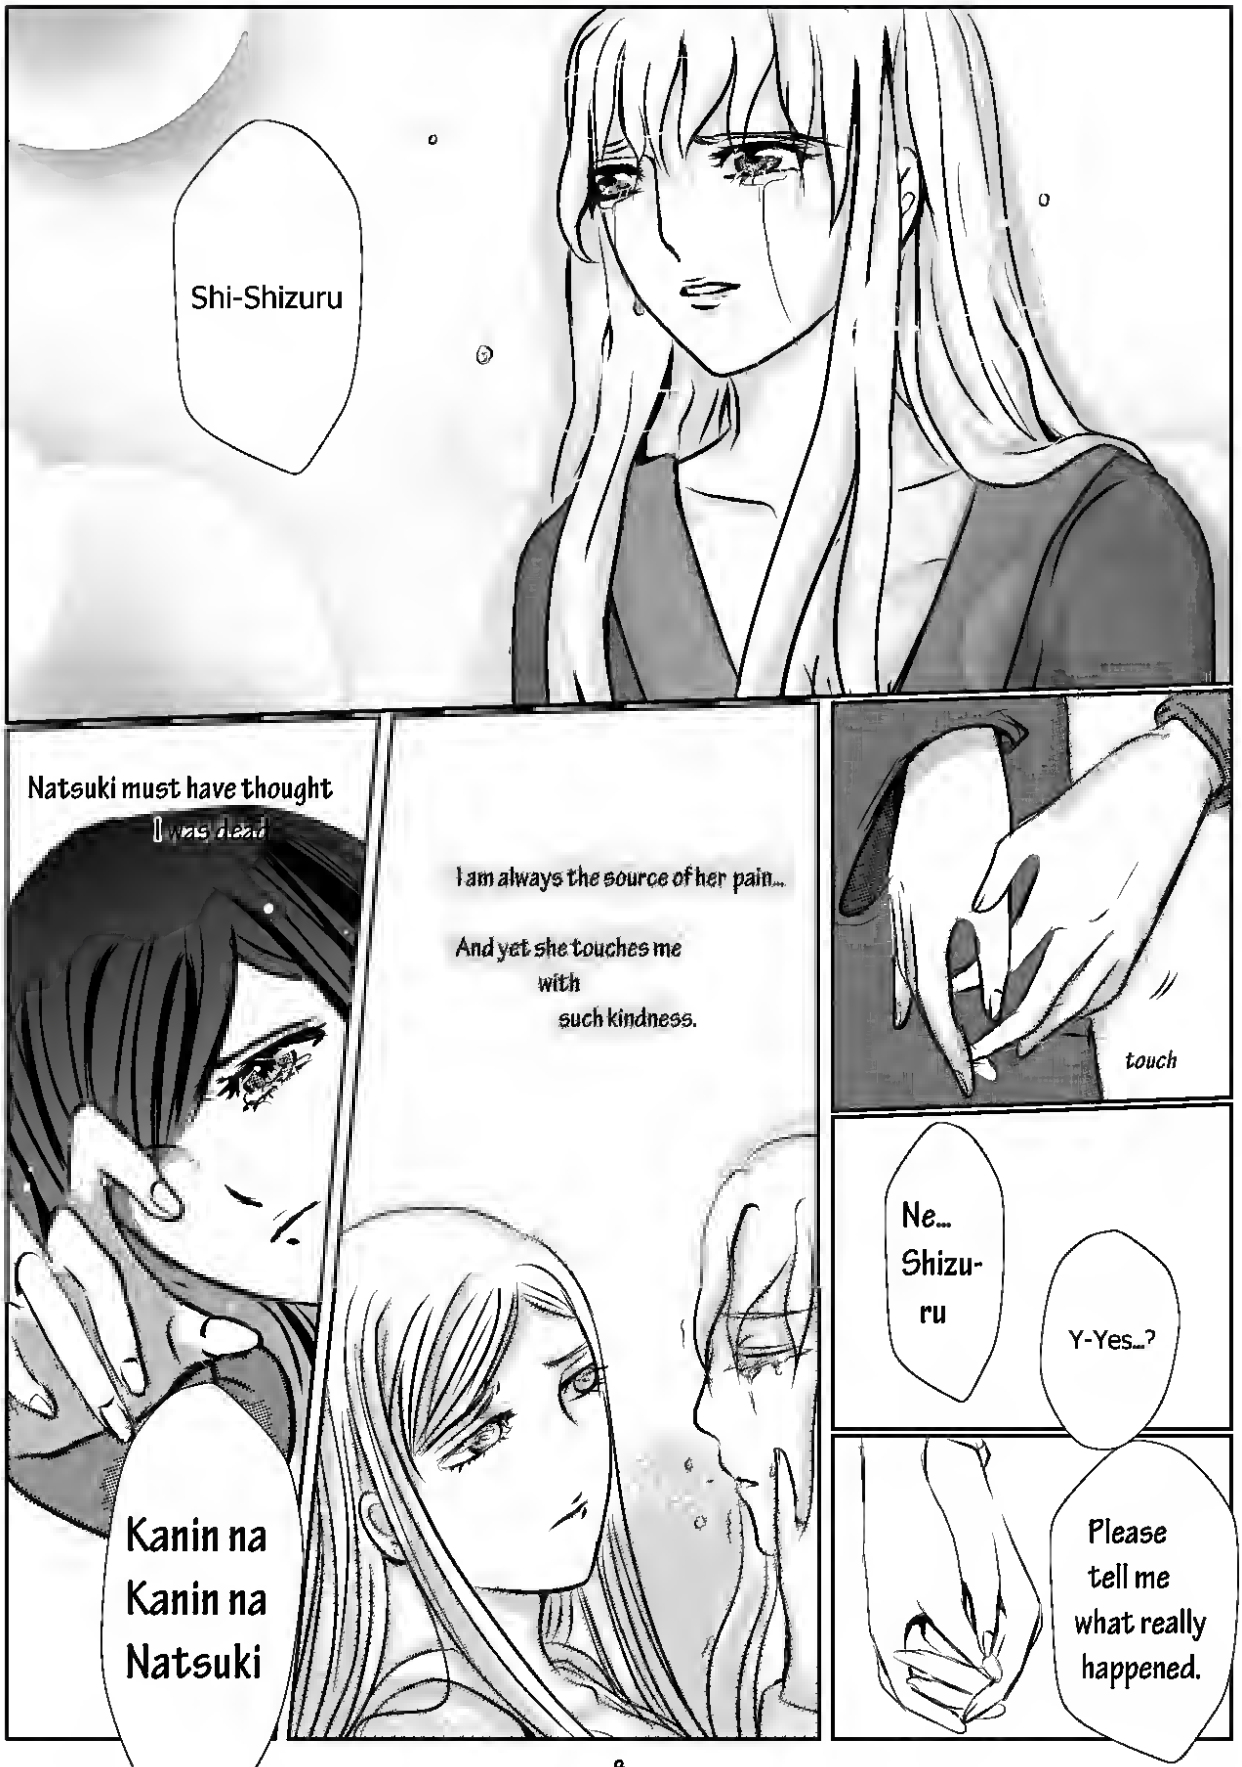
Have you ever thought that Shizuru-onesama does not wish to be found Kuga-san ?
But since you insist... yes, she's alive, and she's living with me.
While you were moping for her 'death', Shizuru was with me. I can tell you how great of a kisser she is, **how passionate in the bedroom she can be.**
My world is crumbling
SHOVE
You trust her.
Shizuru you don't trust anyone, not even me.
And you trust her
Do you love her that much?
Natusuki...



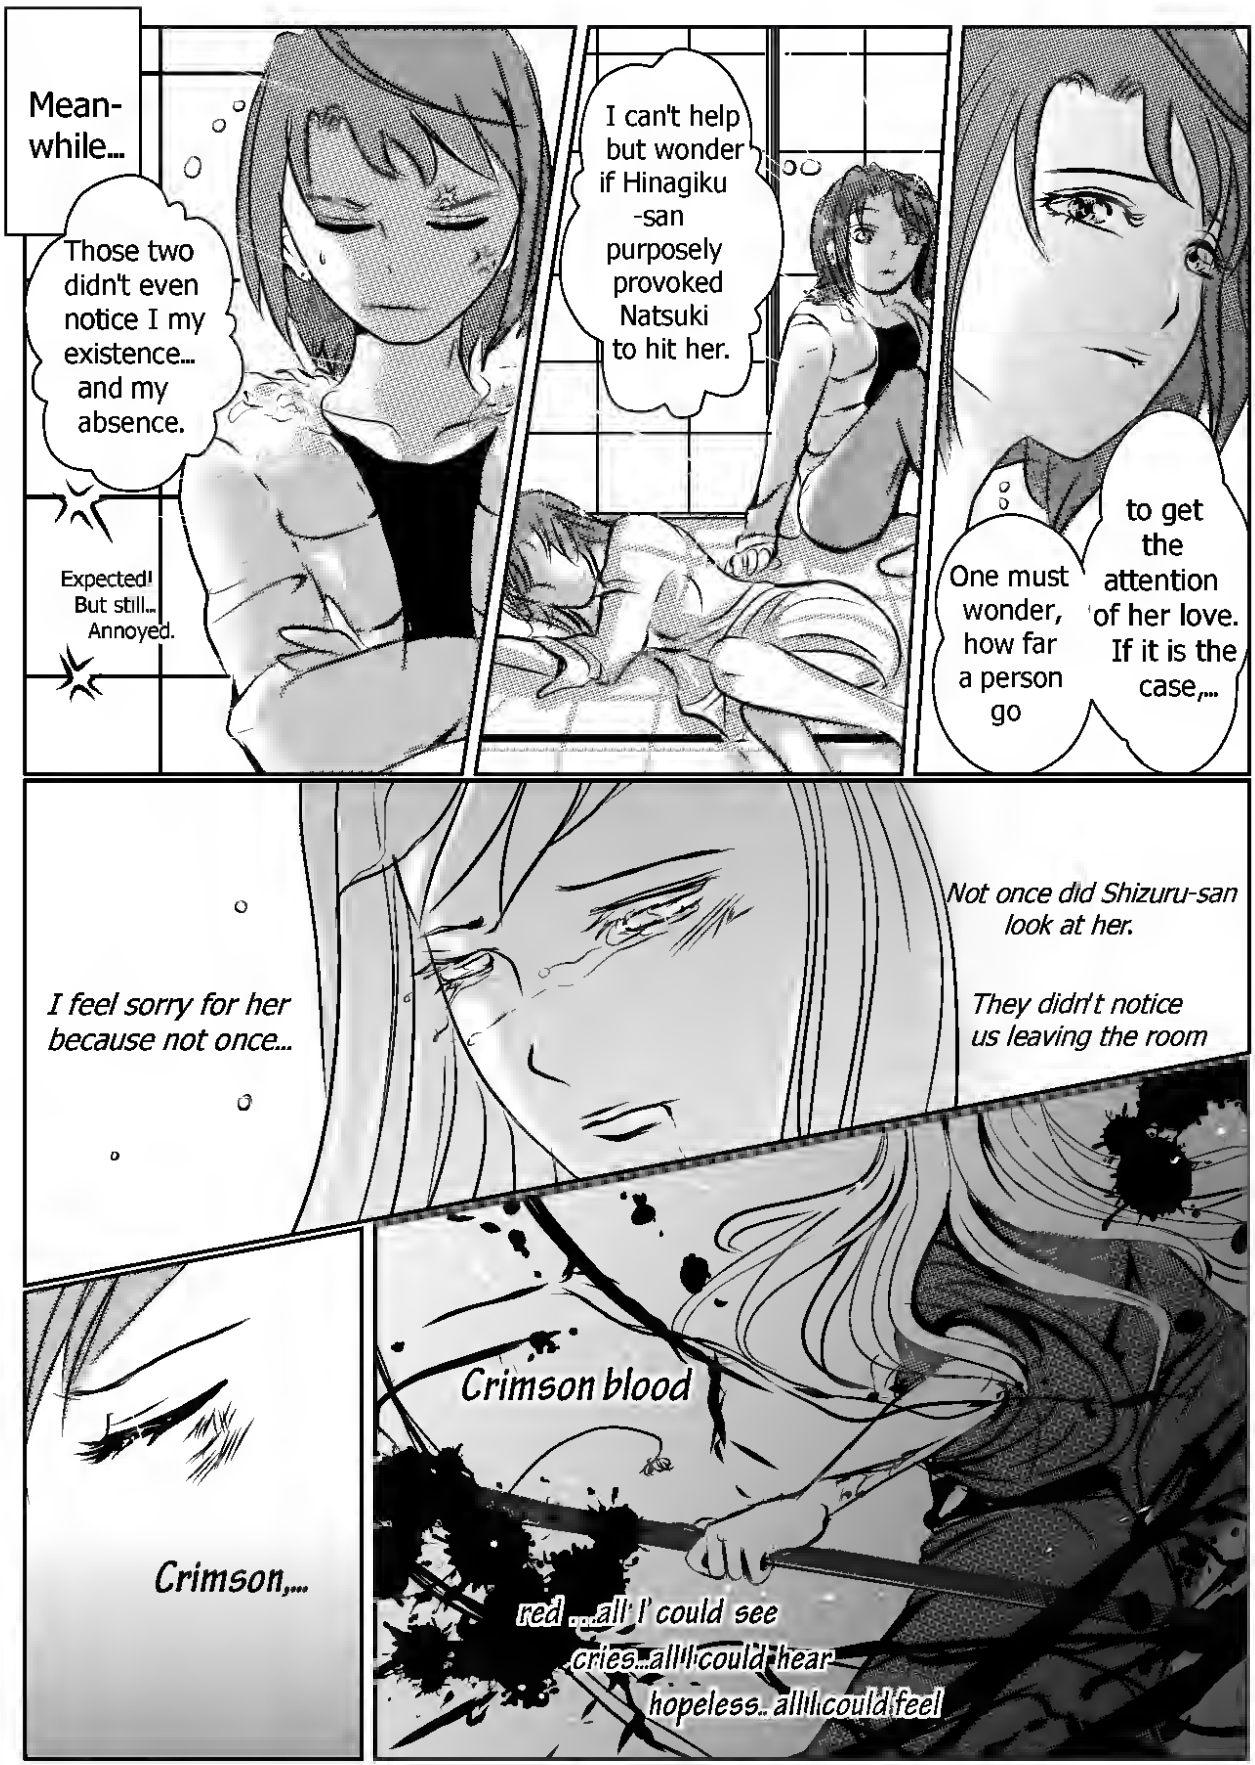
Natsuki
...
Are you alright?
GRIP
Do I...
Do I look like I am alright to you?



I cannot bear it seeing Natsuki's hurt expression
What did I...?
A-Are you upset with me?
upset...
I just don't know how I'm meant to feel anymore, Shizuru.
Should I be upset that you hid everything from me, or should I be happy...
...that you're still alive?



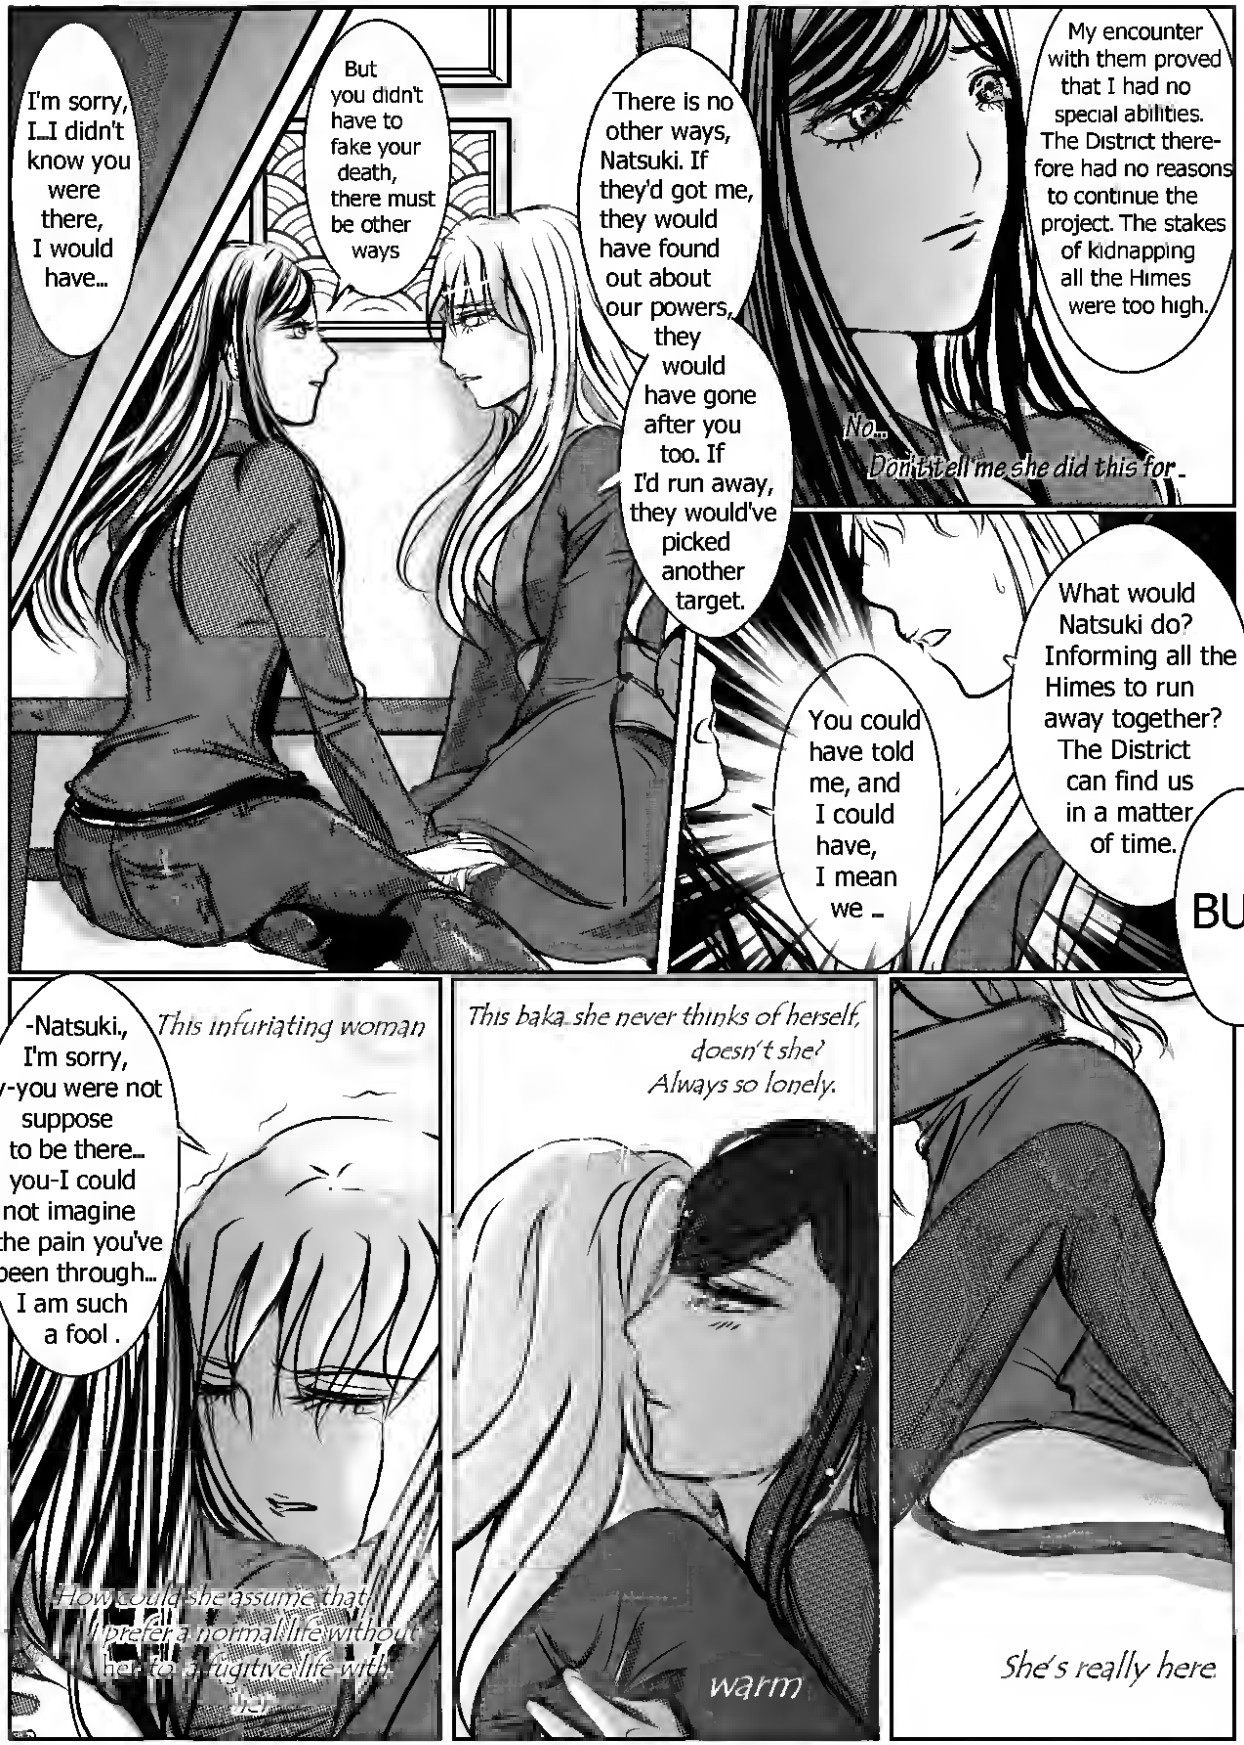
Shi-Shizuru
Natsuki must have thought
I was dead
I am always the source of her pain...
And yet she touches me with such kindness.
touch
Ne... Shizu-ru
Y-Yes...?
Please tell me what really happened.
Kanin na Kanin na Natsuki



Mean-while...
Those two didn't even notice I my existence... and my absence.
Expected! But still... Annoyed.
I can't help but wonder if Hinagiku -san purposely provoked Natsuki to hit her.
One must wonder, how far a person go
to get the attention of her love. If it is the case,...
Not once did Shizuru-san look at her.
They didn't notice us leaving the room
I feel sorry for her because not once...
Crimson blood
Crimson,...
red ...all I could see
cries...all I could hear
hopeless..all I could feel

Crimson
Red
DRIP
Violent Red
and they set my heart on fire
I'm supposed to hate her
But...
How twisted.
Before losing all my senses,...
I thought that if her face was the last thing I saw, death wasn't that bad after all.
I was assigned to investigate her power.
Her surprise crimson eyes bored straight into my soul.
Every rational parts of my brain told me to flee.
She knew who I was.
But
she remembered me.
I was special.
She remembered me.

Please! Please listen to me!
They have just assigned us to abduct you when Spring break starts, Shizuru oneesama!
your friends will think that you go back home, while your family assumes you stay here for part time works. You live alone, noone would suspect anything.
We must leave as soon as possible !!
Leave huh ?
She was calm like a summer breeze
I realized she had predicted this.
"I have a better idea" she said.
Follow her instructions, I told my team that I had tricked her into meeting me at the cliff.
"No witnesses, no loose ends", was my reasoning.
Shizuru oneesama said that it would put me in a bad situation if I shot her. She would manipulate the other agents to do it, so I swapped their bullets with blanks
She faked her death instead of running away with me because She didn't want to put me in danger, or so she said.
I blindly believed her, but deep down I've always known her main reason, her priority – Natsuki-damn-Kuga.



I'm sorry, I...I didn't know you were there, I would have...
But you didn't have to fake your death, there must be other ways
There is no other ways, Natsuki. If they'd got me, they would have found out about our powers, they would have gone after you too. If I'd run away, they would've picked another target.
My encounter with them proved that I had no special abilities. The District therefore had no reasons to continue the project. The stakes of kidnapping all the Himes were too high.
No...
Don't tell me she did this for -
What would Natsuki do? Informing all the Himes to run away together? The District can find us in a matter of time.
You could have told me, and I could have, I mean we -
BUT-
-Natsuki., I'm sorry, y-you were not suppose to be there... you-I could not imagine the pain you've been through... I am such a fool .
This infuriating woman
How could she assume that I prefer a normal life without her to a fugitive life with her?
This baka she never thinks of herself, doesn't she? Always so lonely.
warm
She's really here

Shizuru
Just curious,
humm ?
Little did I know that such a simple question ...
*Pull back
...could crack open the deepest secret of the ever enigma of Shizuru Fujino
Shizuru?
How did you manage to survive from falling off the cliff?
Shi-
She didn't speak a word, but her unconcealable emotions betrayed her.

Guilt
and shame!
It's not that important, Natsuki
Why...
Don't lie to me anymore Shizuru!
Why do I feel so angry?
She did all this for me...
But she didn't trust me enough to let me in.
Trust me... Shizuru
The Hime star was not the sourse of our powers, Natsuki
After the Carnival, we still have our abilities but we can't summon our Childs.
I assumed that under a life threatening experience,
...our survival instincts would be strong enough to unseal our Childs.
I...I decided to recklessly test it out... but...
It doesn't work does it?
Reckless?
Not even close

I'm sorry, Shizuru...
-What is Natsuki talkin-
If I hadn't been so selfish, I would have noticed your feelings back then, ...
and you wouldn't have been through all the pain, the guilts, and...
Natsuki, it's not your fault it happened, don't ever say that.
Not my fault? not my fault that you're purnishing yourself? Not my fault that you....
...that you committed such a suicidial act? Has it ever occured to you that may be...maybe the reason Kiyohime didn't appear was that...
...you didn't want to be saved?
No... Wasn't it because I was afraid of Kiyohime's power and losing control?
...Suicidal...since...when? after the Carnival? No... long before that

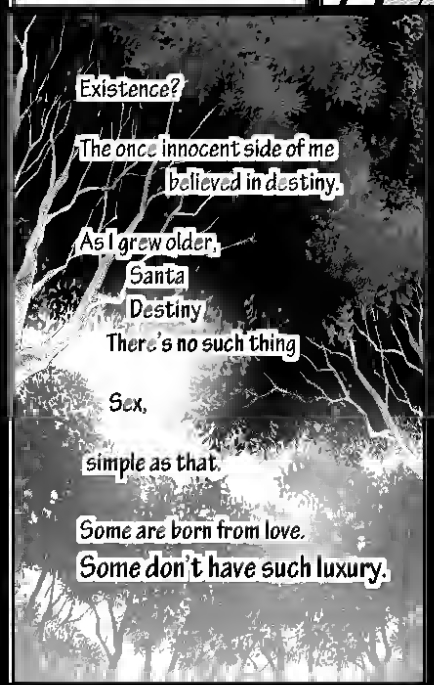
"Shizuru-chan, if you had one wish, what would it be?"

"To be loved"

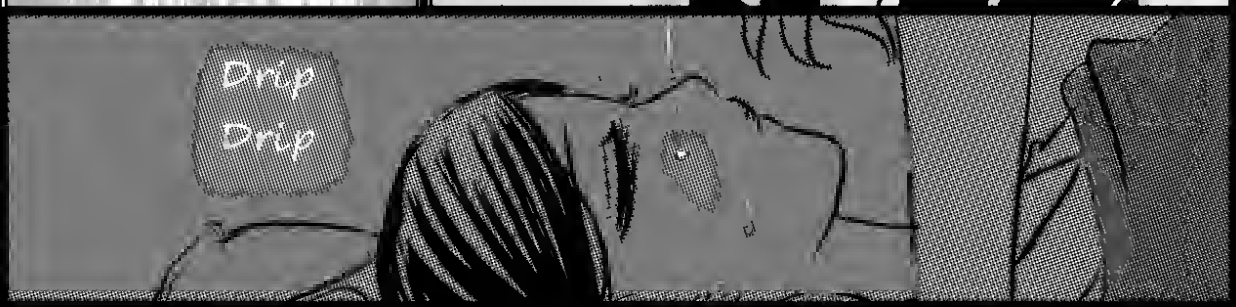
Chuckle
"Shizuru-chan, eeeeveryone loves you".

You insufferable man, if it wasn't for Shizuru, I would have left you
h you're speaking like a true caring mother, you hypocrite. Not once in 13 years have you ever been affectionate to her.

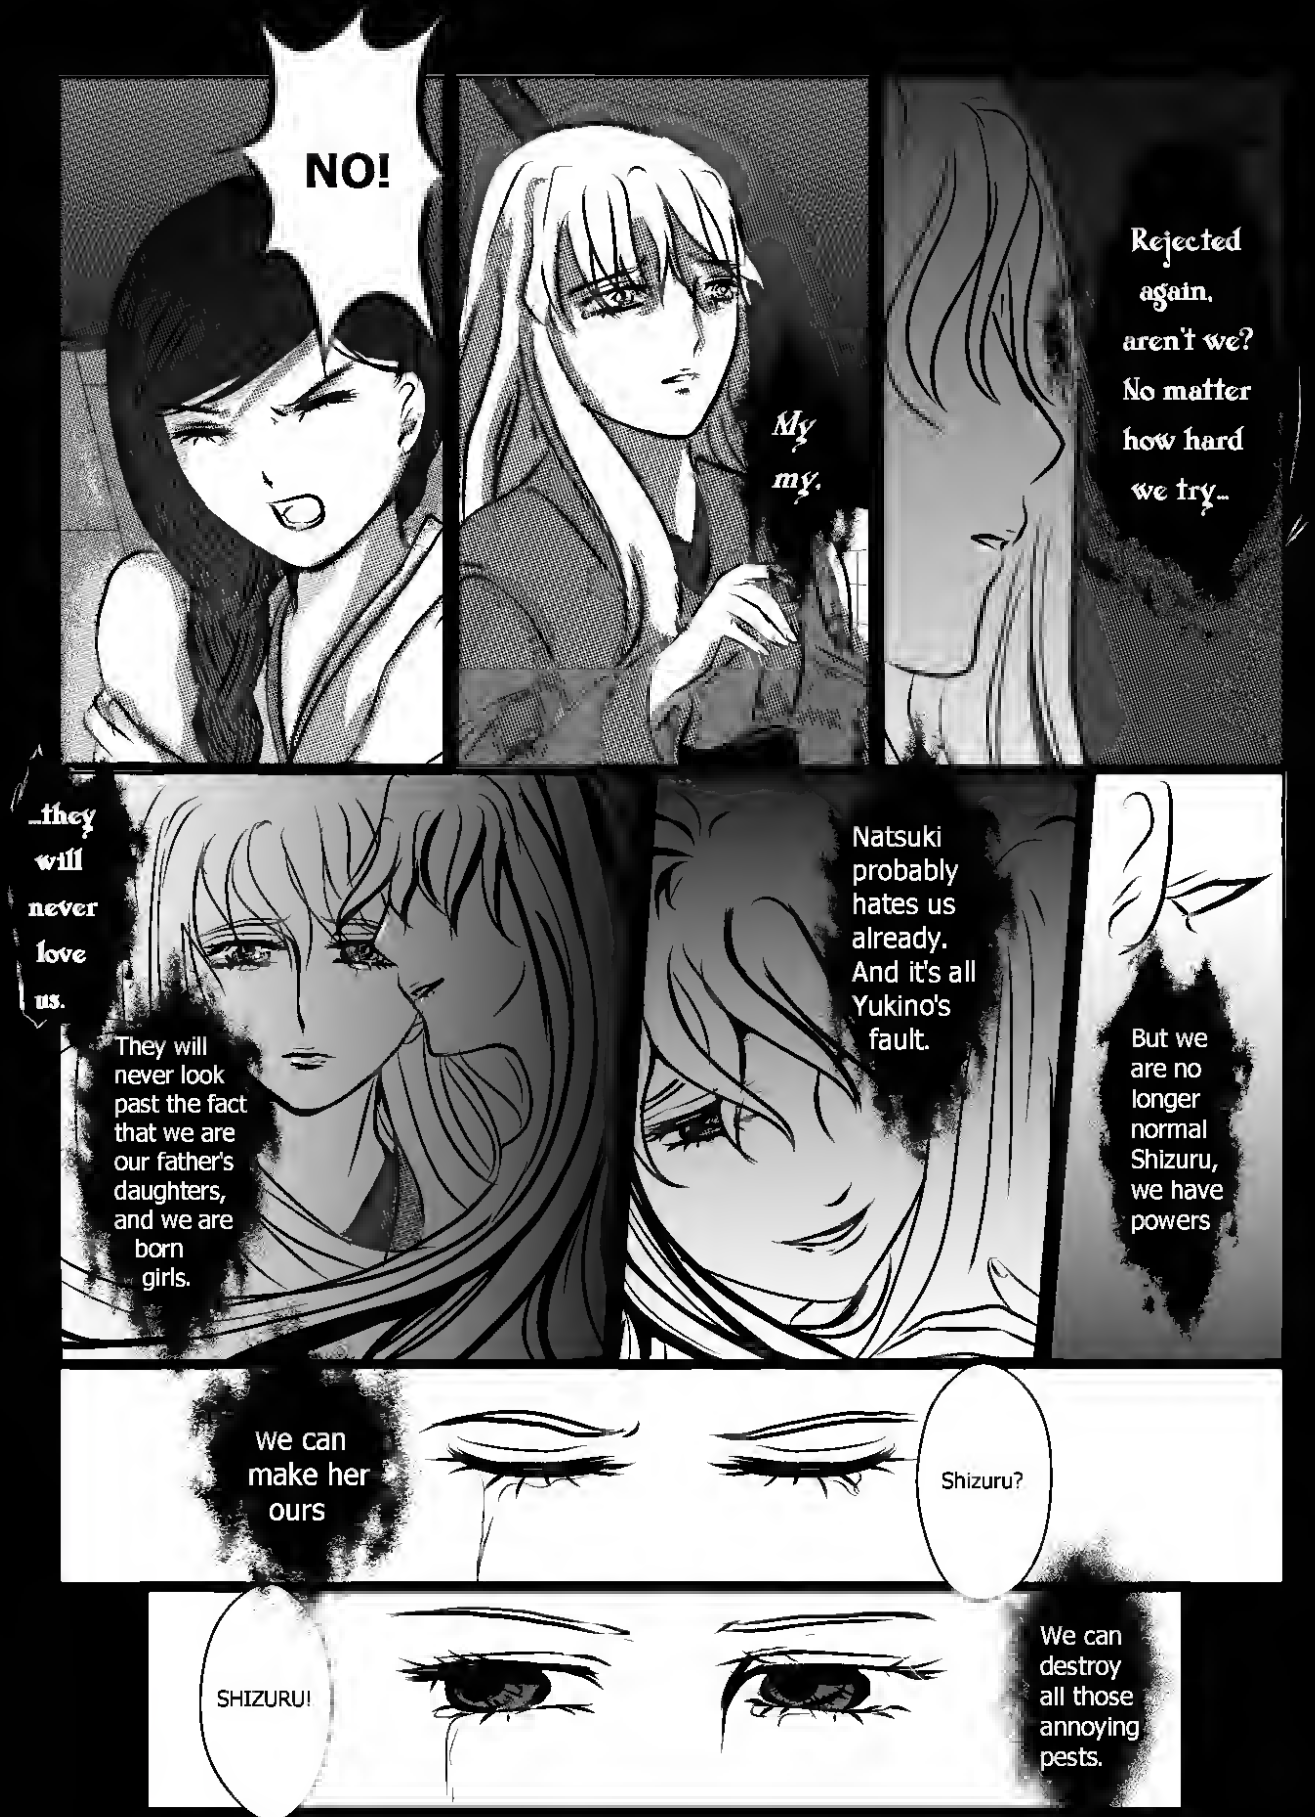
Ever wonder why you exist?
What can I do? She looks just like you, the man who robs my happiness, who forced me into this loveless marriage
You selfish woman... She's done no wrong. Don't take it out on her!
You use her to bind me here, don't pretend to be noble Keizo.



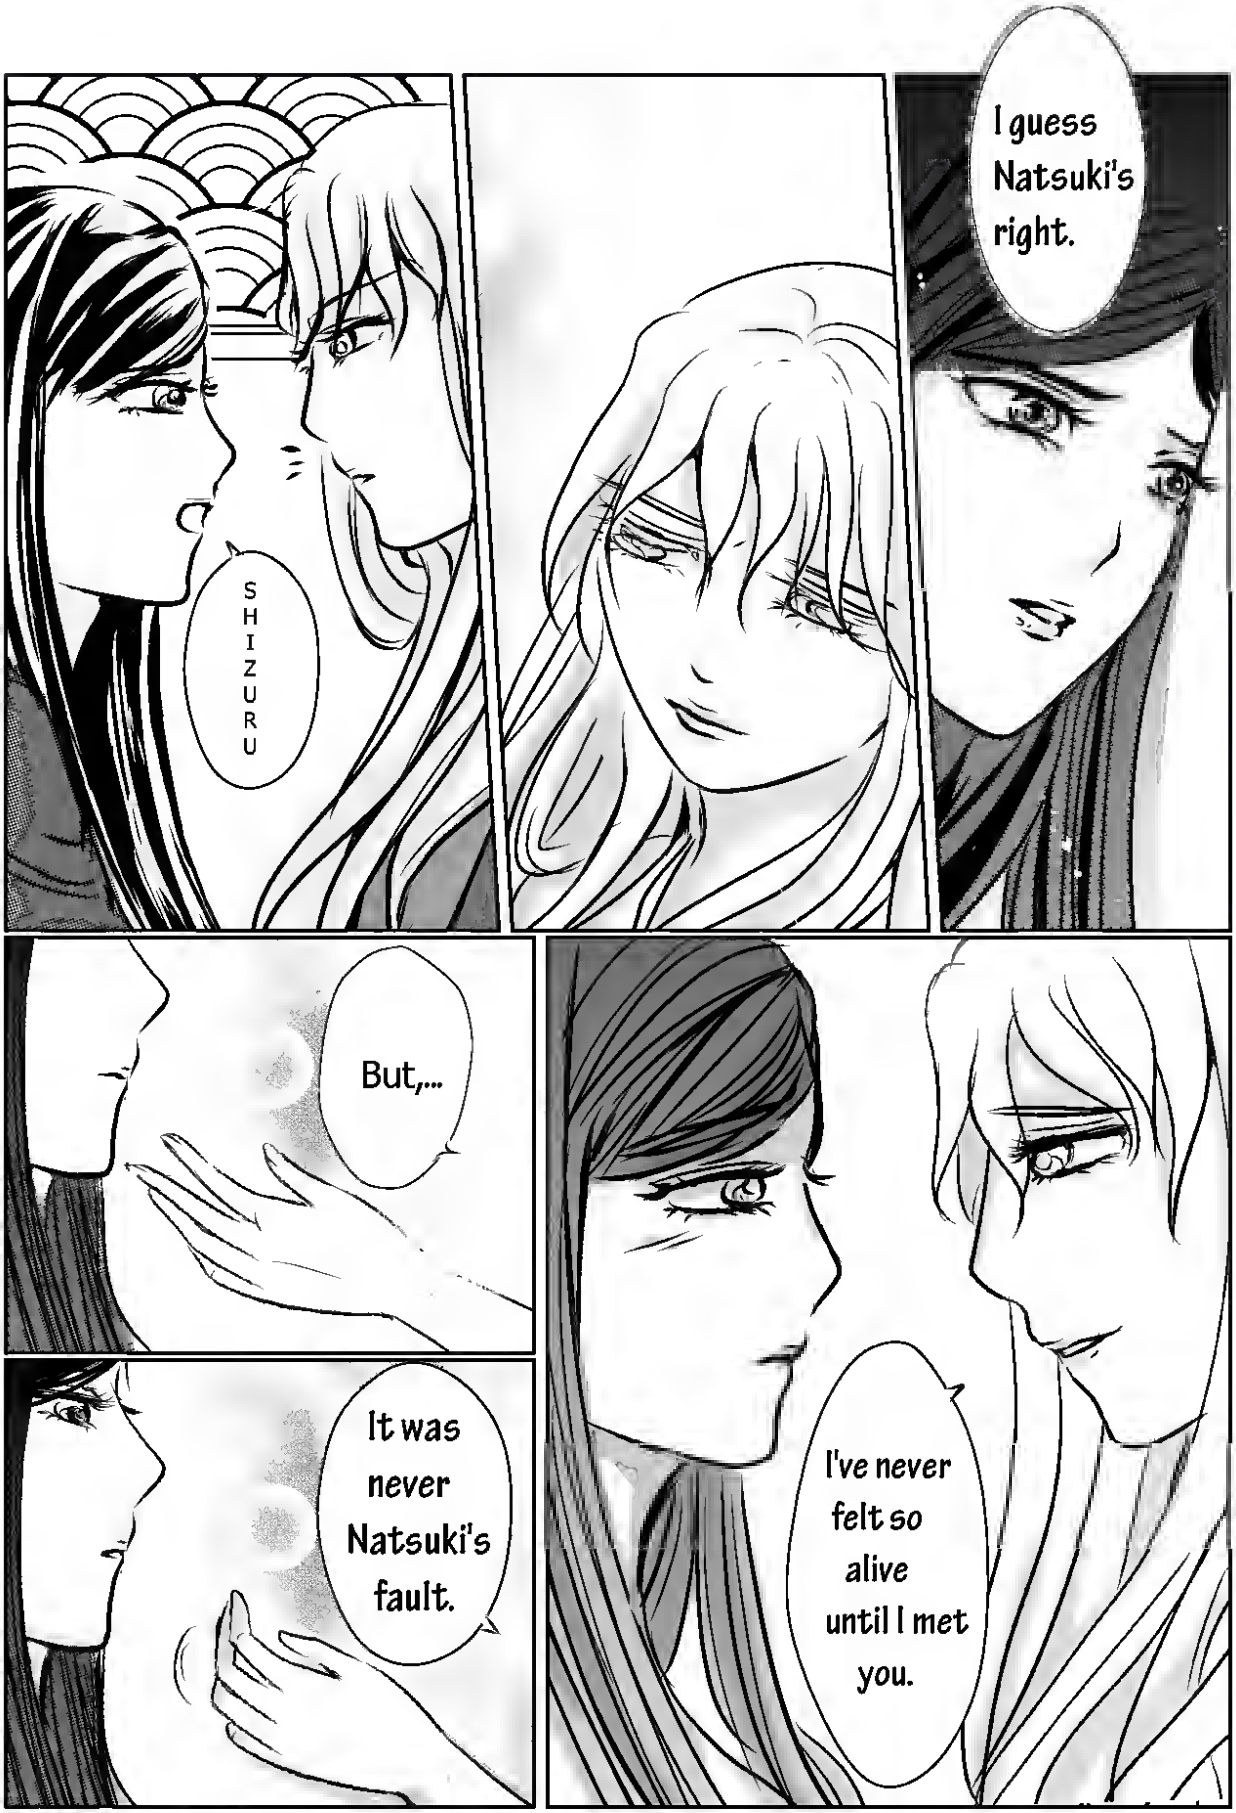
Mother is always so cold,
'You have a wonderful smile, Shizuru-chan'.
I tried to smile a little more.
But in the end, I'm only a liability.



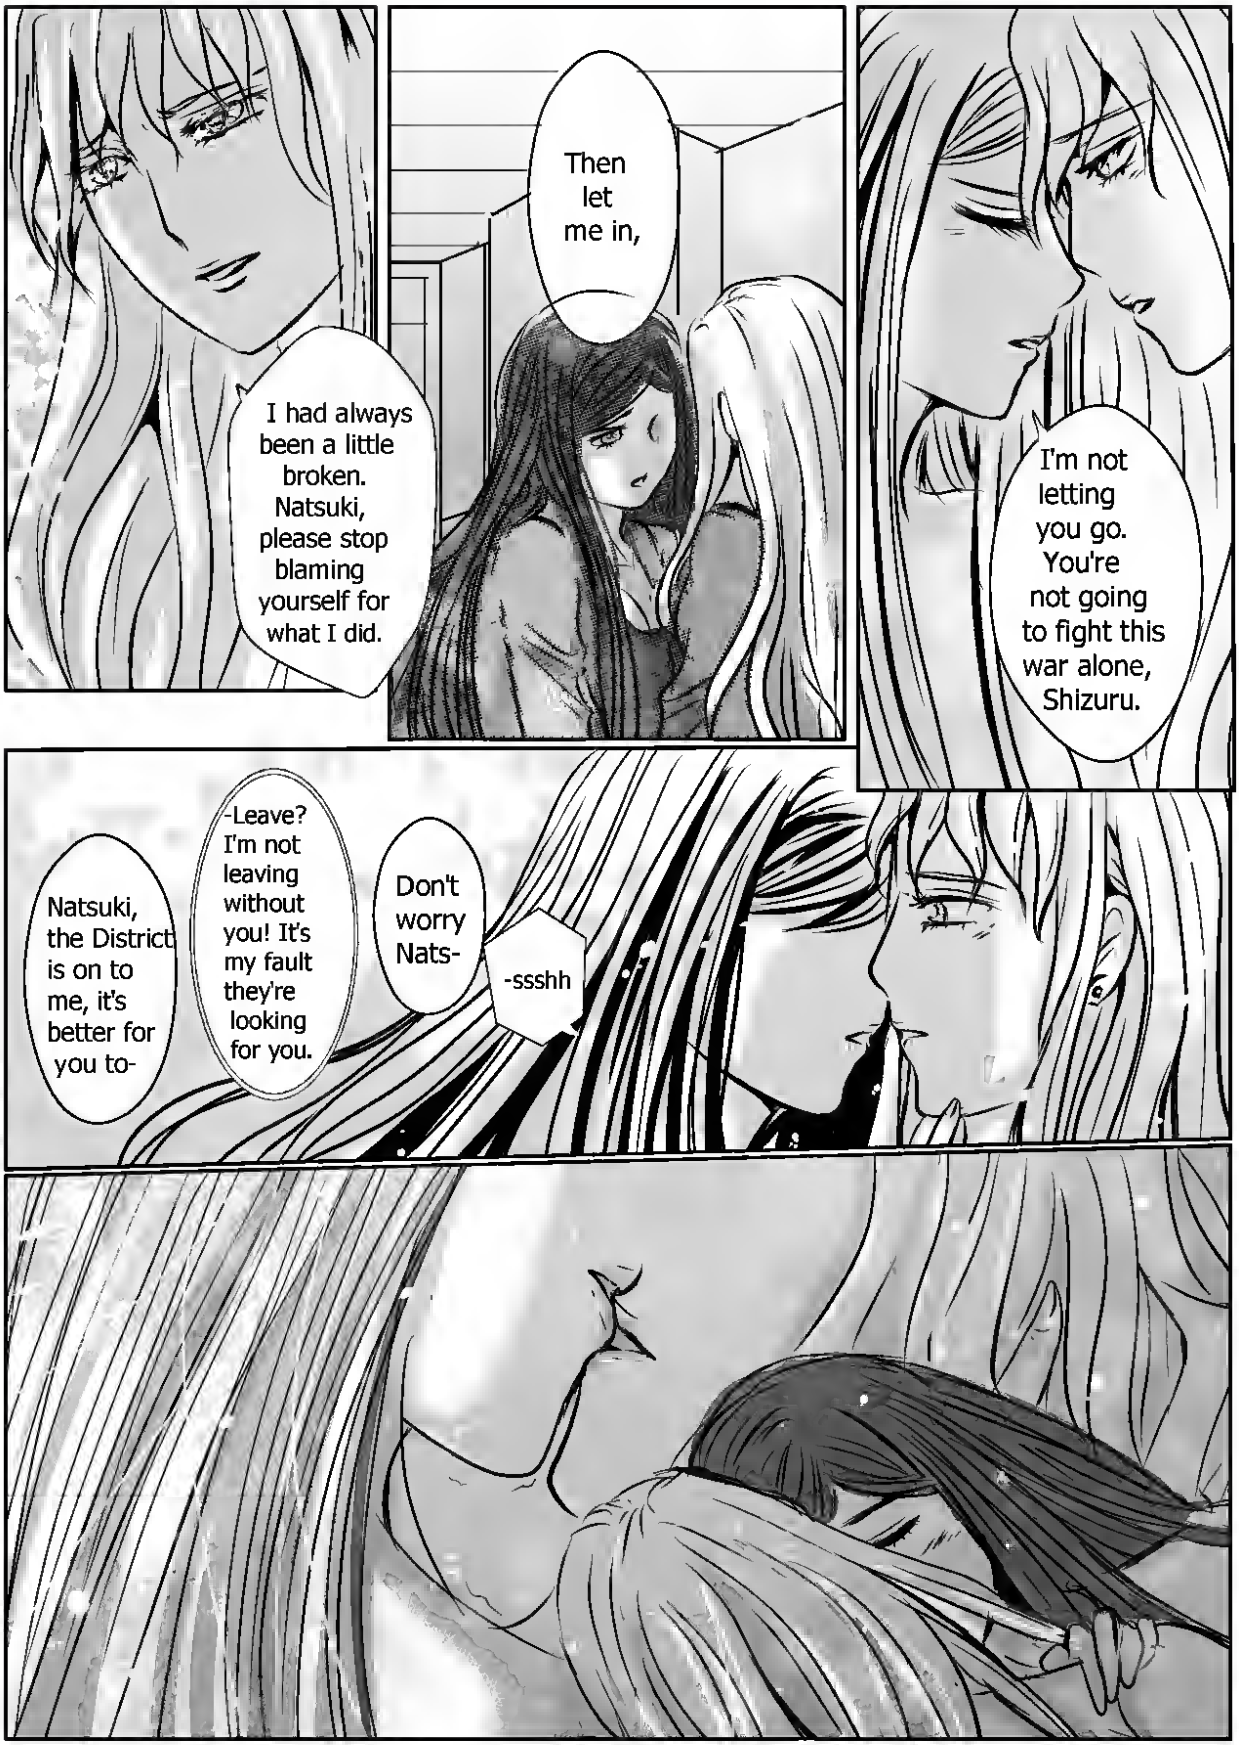
I can't believe I almost... almost...
Forgive me.
My love...
sob sob
will never be returned
she will never know
NEVER



NO!
My my.
Rejected again, aren't we? No matter how hard we try...
...they will never love us.
They will never look past the fact that we are our father's daughters, and we are born girls.
Natsuki probably hates us already. And it's all Yukino's fault.
But we are no longer normal Shizuru, we have powers
we can make her ours
Shizuru?
SHIZURU!
We can destroy all those annoying pests.

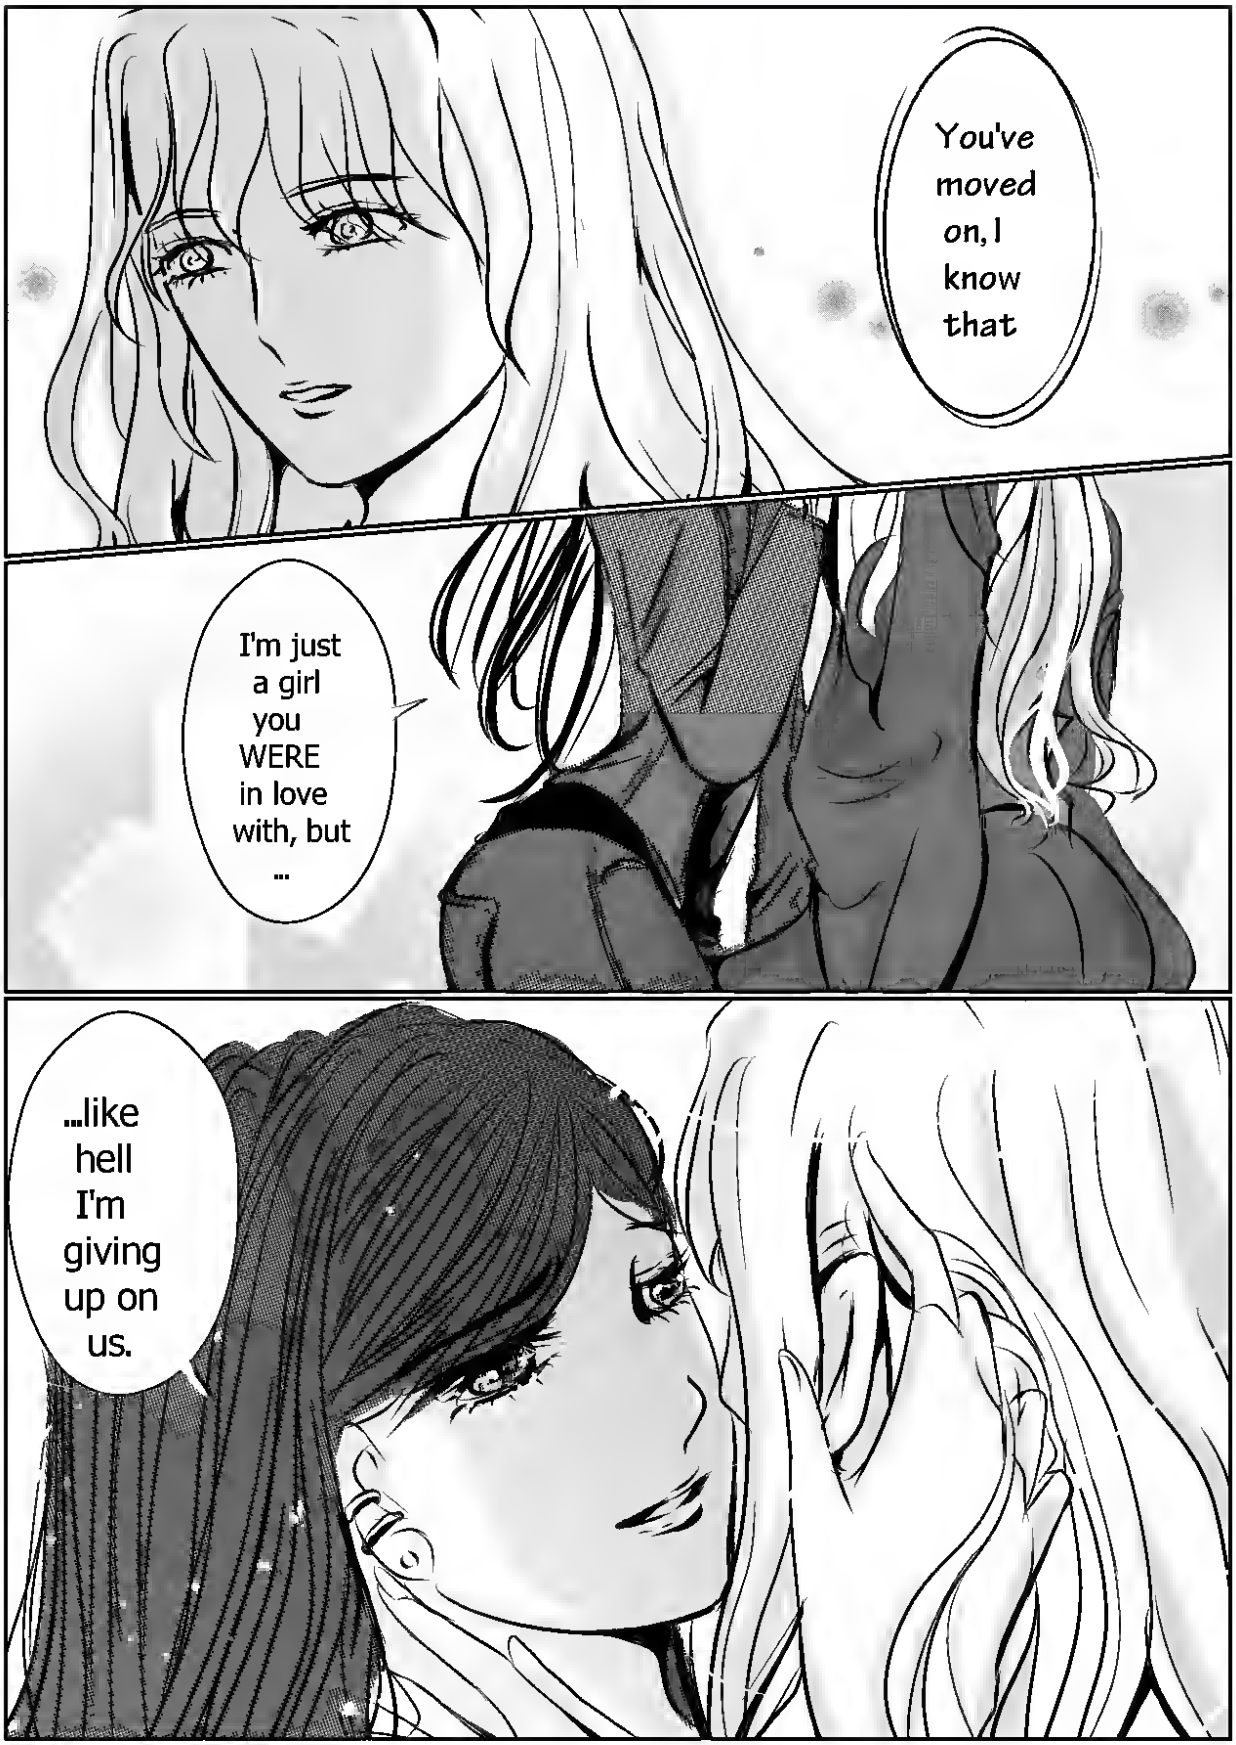


I guess Natsuki's right.
SHIZURU
But,...
I've never felt so alive until I met you.
It was never Natsuki's fault.

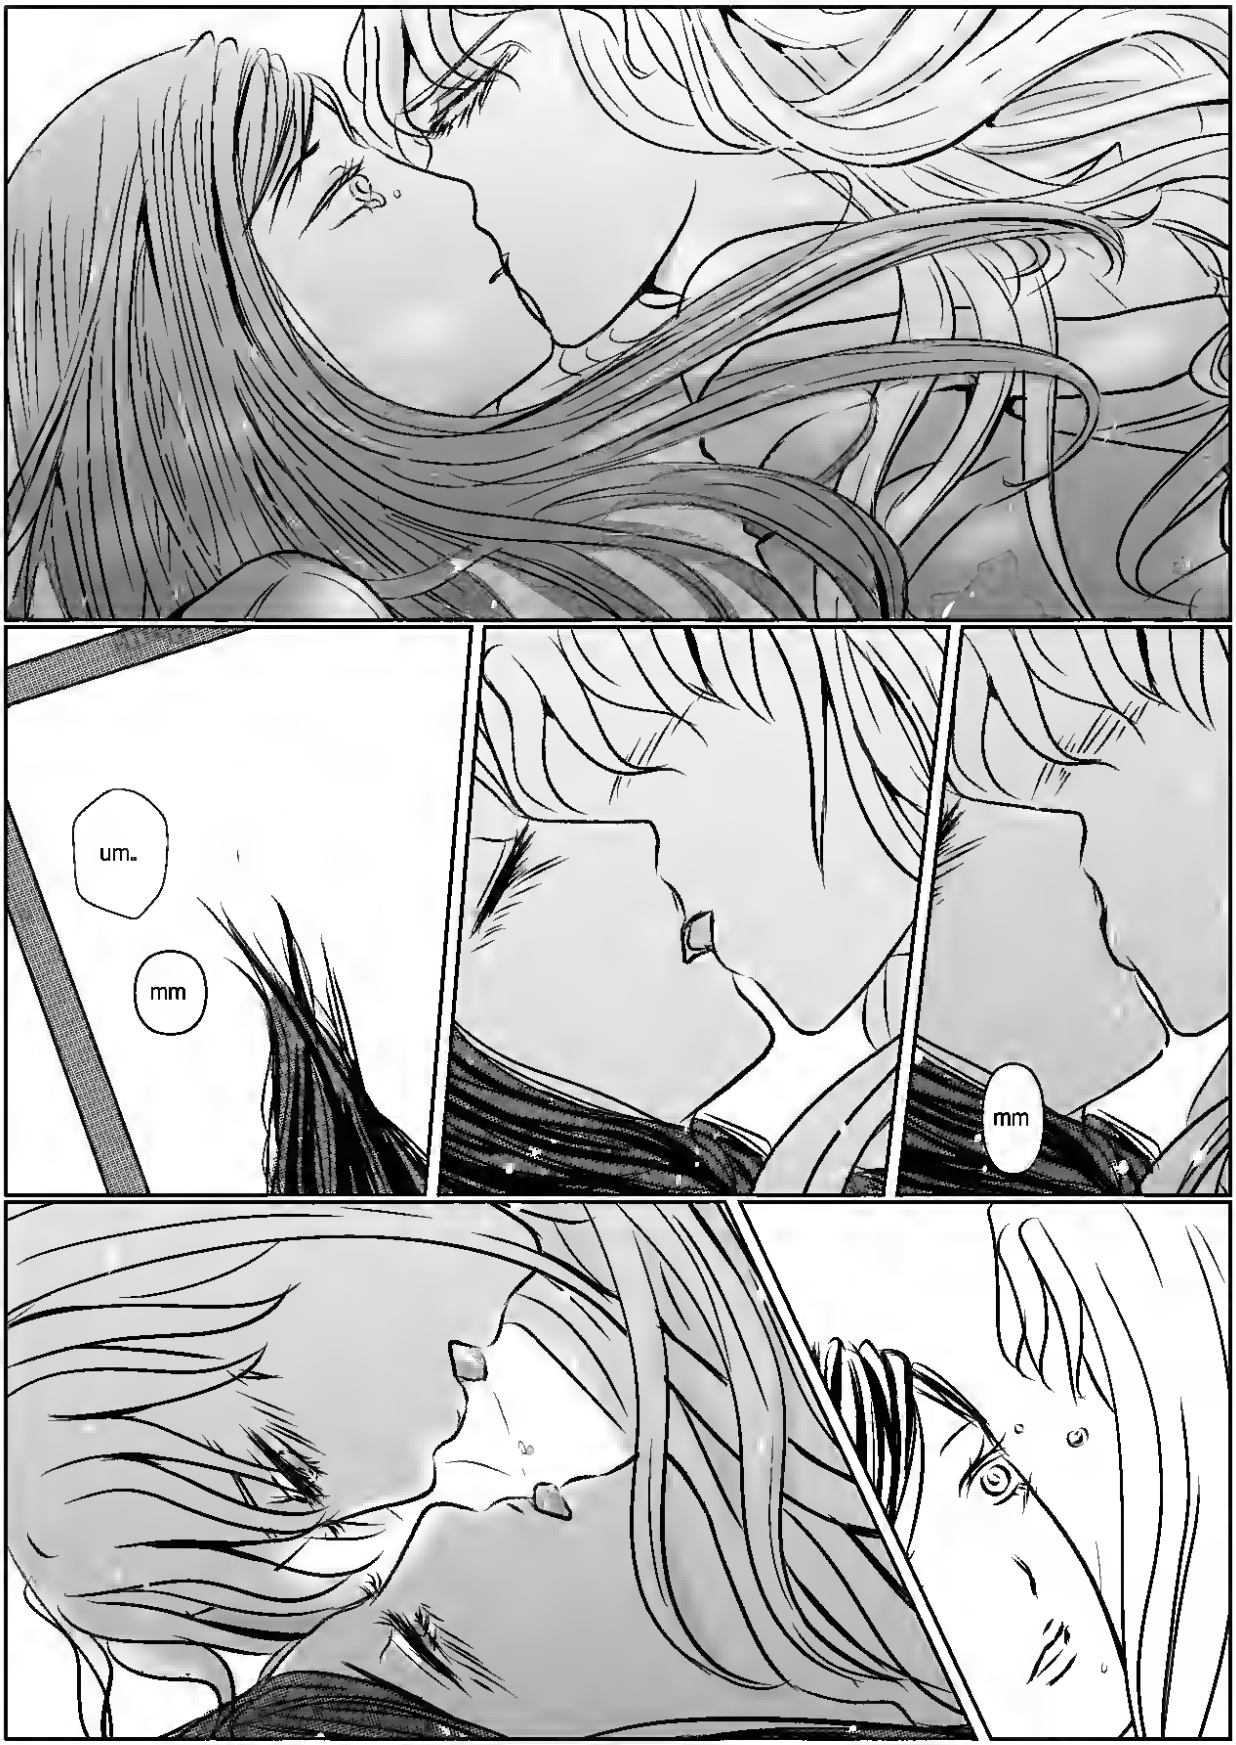


I had always been a little broken. Natsuki, please stop blaming yourself for what I did.
Then let me in,
I'm not letting you go. You're not going to fight this war alone, Shizuru.
Natsuki, the District is on to me, it's better for you to-
-Leave? I'm not leaving without you! It's my fault they're looking for you.
Don't worry Nats-
-ssshh

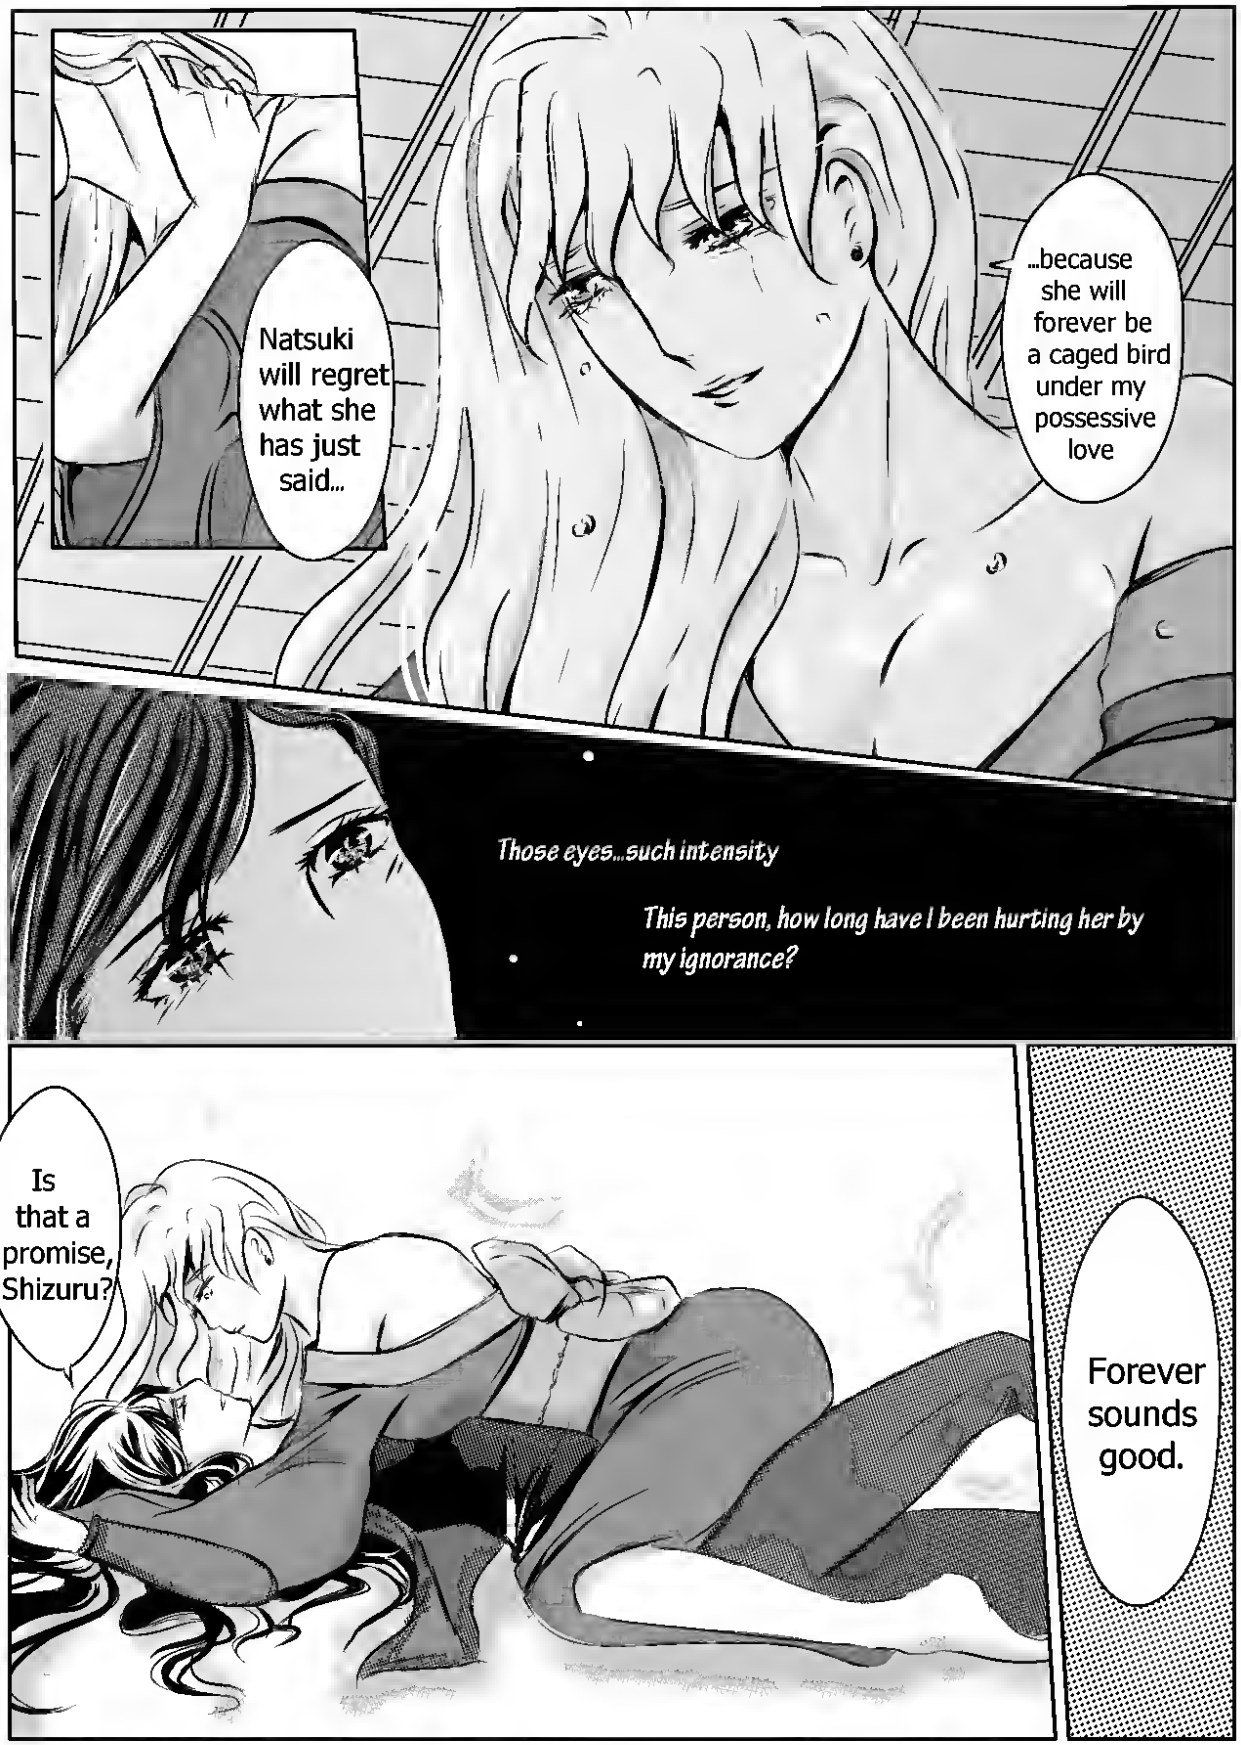
Why did Natsuki... ahh... don't cry, I'm sorry-
I'm in love with you, Shizuru.



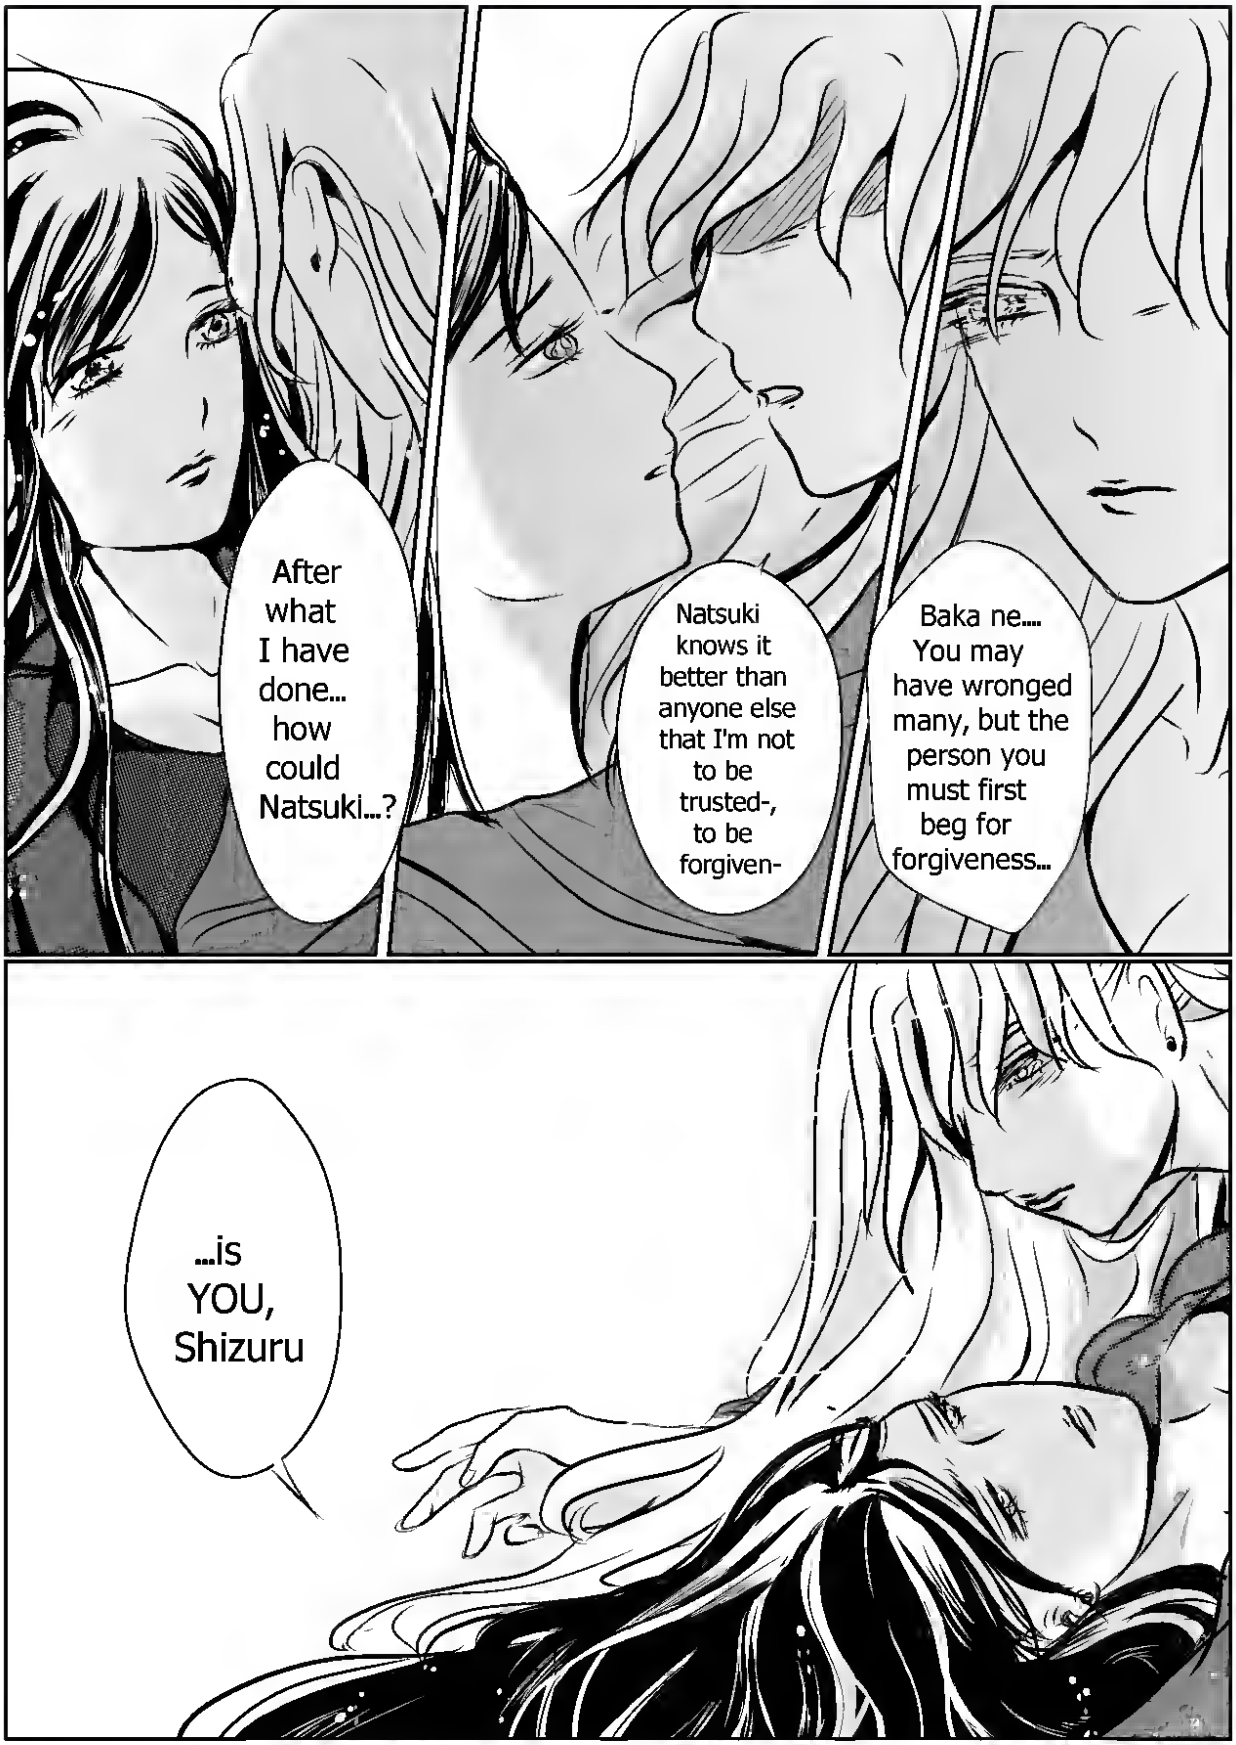
You've moved on, I know that
I'm just a girl you WERE in love with, but ...
...like hell I'm giving up on us.



um.
mm
mm



Natsuki will regret what she has just said...
...because she will forever be a caged bird under my possessive love
Those eyes...such intensity
This person, how long have I been hurting her by my ignorance?
Is that a promise, Shizuru?
Forever sounds good.



After what I have done... how could Natsuki...?
Natsuki knows it better than anyone else that I'm not to be trusted-, to be forgiven-
Baka ne.... You may have wronged many, but the person you must first beg for forgiveness...
...is YOU, Shizuru

It's easier said than done, Natsuki.
I will make you love yourself again, whether you want to or not
Then I'll help you
SLIDE

Deja vu
That was... totally unexpected

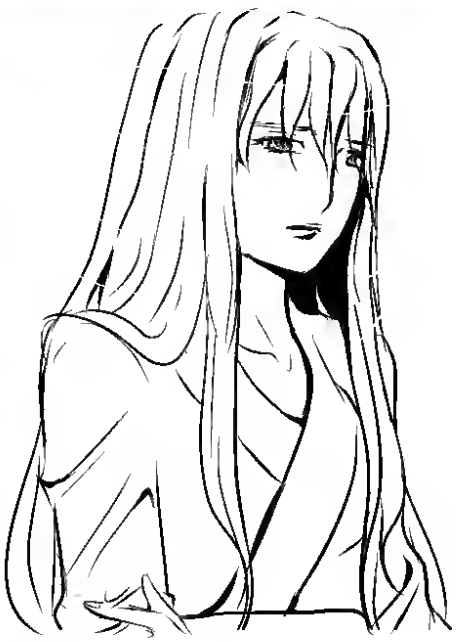
No No No I love TATE I love TATE I love TATE
THUMP THUMP THUMP
Get a grip, Mai.. There's a more important matter on hand
SLIDE
Sorry to... *ahem... interrupt but..

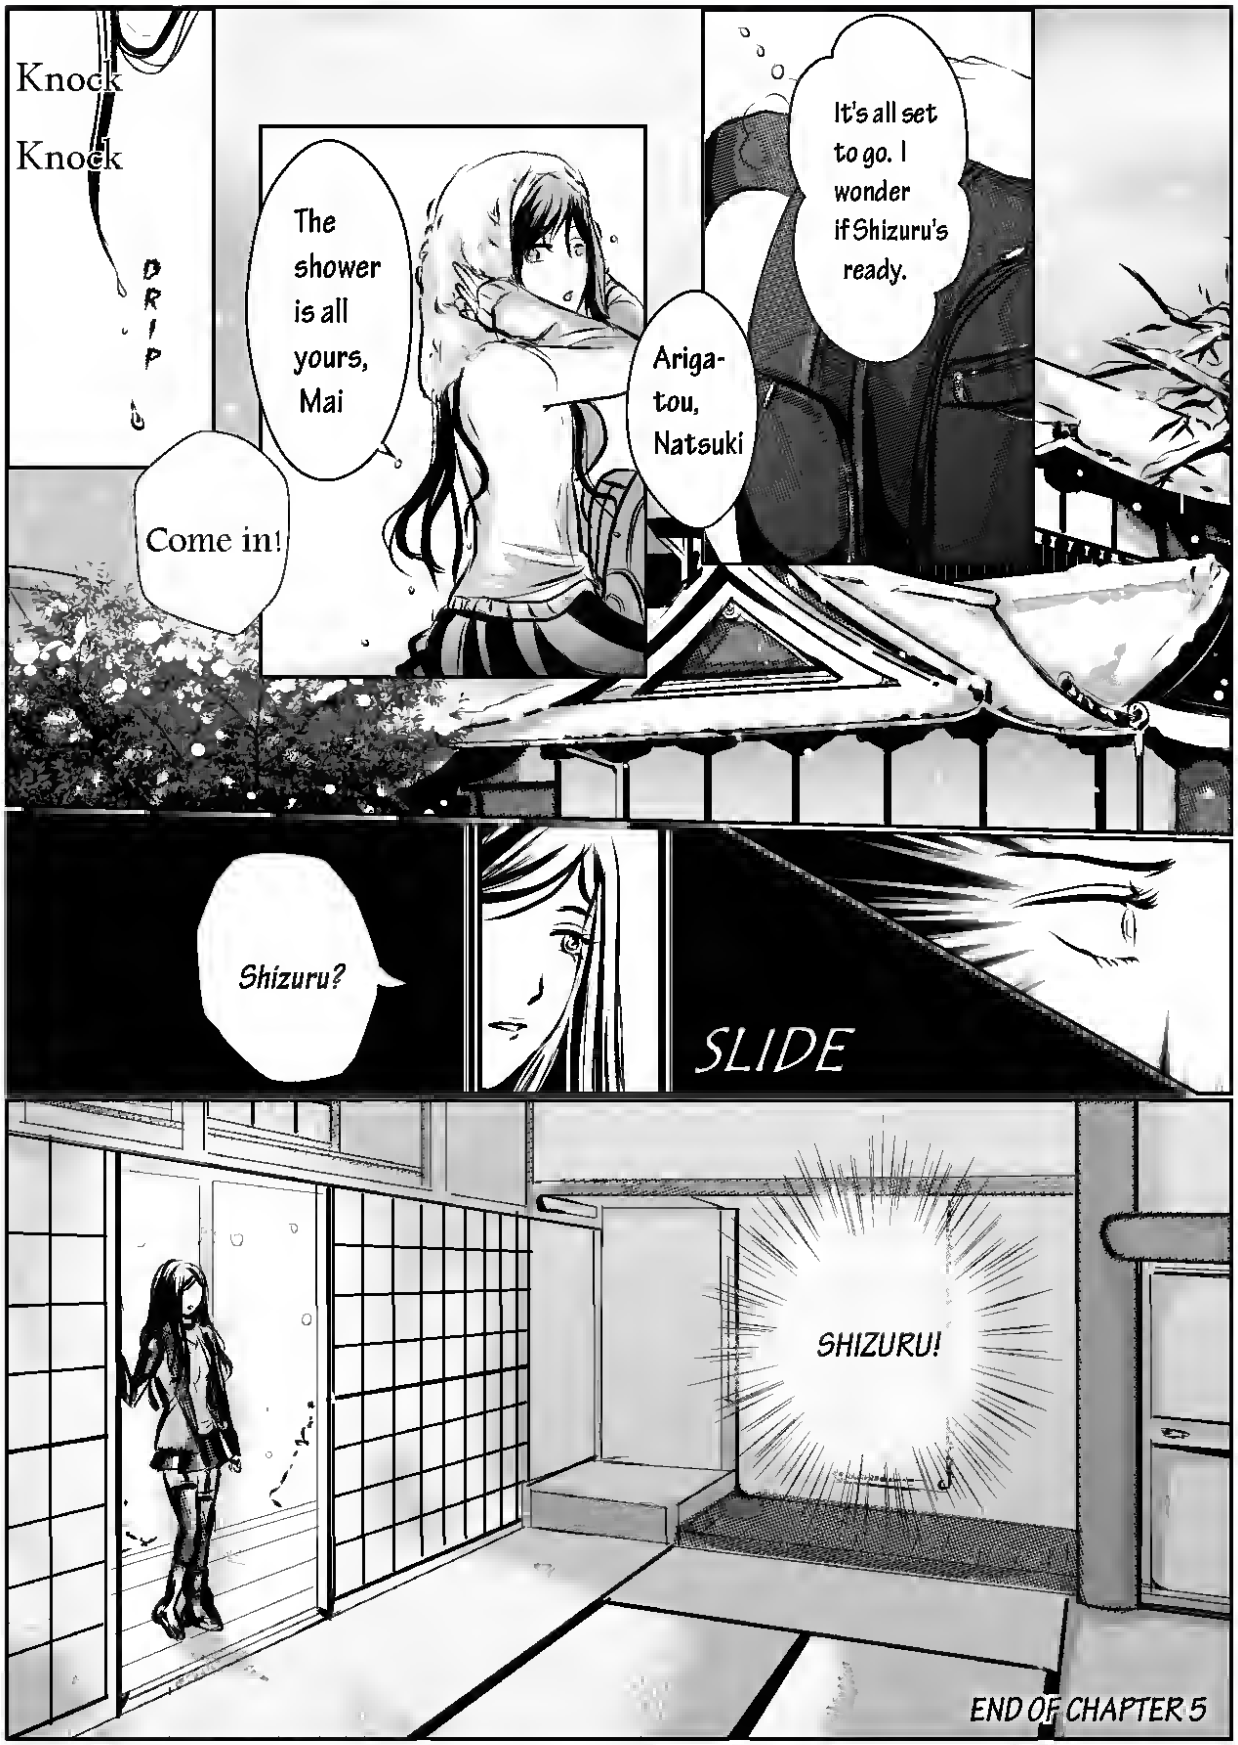
I've just got off the phone with Tate and Reito-san ...
Yukino-san
Sister Yukariko
Shiho-chan
...and Nao...
Akane-san
They are no where to be found.
Just an hour ago, Mikoto was attacked by a group of heavily armed men. With her Miroku, she'd managed to escape with Reito-san.
Suspected the First District, Reito-san called other Himes in Fuuka but they were all missing
It can't be...
Why would the District kidnap them ...I mean... how could they find out about our abilities?

I don't know, Natsuki ...
Reito-san and Mikoto is waiting for us to comeback, ...
I have just booked the tickets, there's a flight back to Fuuka in 4 hours. We must return as soon as possible
Alright... but how did they even know in the first place?
Growl
It's possible that one of us accidently revealed her power to the First District agent...
I did when I interrogated one of the agent to find Tomoe's whereabouts ...
...but since I used the District's memory-erasing drugs, it -
The District's memory-erasing drugs

My Fault
In my desperate attempt to find Shizuru
I have made a big mistake



My fault.
What is this Nauseous feeling?
Oh god no...
Natsuki... Natsuki what's wrong?
THE DRUG!
I used the District's drug to erase the agent's memory, but, but there must be antidotes!
The shiny head must have got his memory back!
It isn't your fault, you couldn't have known-
OF COURSE IT IS MY FAULT. IF IT WASN'T FOR MY STUPIDITY-
This person...
Pull
Why is it so easy for her to calm me down?
Relax, my Natsuki. We will get through this.
Draw a hot bath, and have a quick nap before the flight. We' will think of a rescue plan.
F-Fine
Even though Natsuki is very cute when she's frowning, she needs to pull herself together.
BAKA



Knock
Knock
DRIP
Come in!
The shower is all yours, Mai
Arigatou, Natsuki
It's all set to go. I wonder if Shizuru's ready.
Shizuru?
SLIDE
SHIZURU!
